

P.H.D FUNDamentals
Members walking home Policy

Any member of the Club aged 10 years and under will not be allowed to leave at the end of a session unless a parent/carer has come to collect them. All gymnasts must be signed in and out of each session by a responsible adult.

Any gymnast who is late to be collected after a session will remain with the responsible coach until a parent/carer has arrived at the facility. If a gymnast has not been collected after 10minutes every effort will be made to contact the gymnasts parent/carer to arrange for the child to be collected following our Late Collection Policy.

Any member of the Club aged over 10 years will be able to walk home alone after a session providing either:

- their parent/carer has given consent on the gymnasts' registration form
- or the Club has received a letter or email of consent from the gymnasts' parent/carer.

If the Club has not been given consent on the registration form, or received a consent letter or email, the gymnast will not be allowed to leave the facility by themselves, and the responsible coach will make contact with their parent/carer to arrange for the child to be collected. Written consent for future sessions must be given should gymnasts be required to walk home.
