

**Trampoline & DMT
Club Championships 2024**

Sunday 2nd June 2024

Gytes Leisure Centre, Walkerhaugh, Peebles, EH45 8GL

phdfundamentals.co.uk

Welcome to P.H.D FUNdamentals Club Championships 2024. The competition will follow Scottish National Trampoline & DMT Competition rules.

Trampoline

The children have been working on routines in classes. Each gymnast will compete twice. The first routine is called a set routine and is set by the competition rules. The secondary routine is a voluntary routine made up of 10 skills.

Each group has been split up according to age and routine level.

DMT

This is our first year we have introduced Double Mini Trampoline (DMT) after trialling classes.

DMT has 4 passes, each pass set for each level. Two skills are performed in each pass and can be performed on the mount (angled section), spotter (centre) and dismount to land.

For both trampoline and DMT, each judge will mark each routine and give it a score out of 10. Each routine consists of 10 skills and deductions will be taken from 10 to give each gymnast's scores. The gymnast with the highest score wins.

Please note: To maintain the safety of the gymnasts' flash photography is NOT permitted. Parents are also asked to stay out of the competition area at all times.

We would like to take this opportunity to thank you all the gymnasts for all their hard work and wish them good luck! We would also like to take this opportunity to thank you for your continued support; we hope you enjoy the competition.

Photography License

Scottish Gymnastics has a 'Use of Video, Film or Photography at Gymnastics Events Policy' which we will be adopting on the day. Please note that this Policy now covers photographic/video facilities within a mobile phone. We ask that parents / guardians of this policy which is available on the SG website and ensure they are aware of the publishing guidelines of photographs / videos found the Scottish Gymnastics website. The organisers request that anyone intending to use photography or recording equipment are considerate regarding the images being taken and that the 'flash' on any device is switched off during warm-up and competition. Spectators not adhering to this request may be asked to stop using their recording device or to leave the event.

To maintain the safety of the gymnasts' flash photography is NOT permitted. Parents are also asked to stay out of the competition area at all times.

Special Thanks!

Our thanks go to all the coaches, judges and volunteers who have given up their time today and in the run up to make this event happen. Without these volunteers efforts it would not be possible to give everyone the best experience.
