Welcome to P.H.D FUNdamentals Trampoline and Gymnastics Club Annual Club Championships 2026.

We would like to take this opportunity to thank you for taking part and supporting our club.

The gymnasts have been working on routines in classes. Each gymnast will compete on floor and vault with girls also competing on beam and bars and boys on bars and pommel. The floor and beam routine are a mixture of dance and floor skills and follow the British Gymnastics Regional pathway which determine the skills and most of the routines. The judges are looking for cleanly executed skills with the club trophy for the highest overall form scores in P1-3, P4-7 and secondary, boys and competitive gymnastics. Today we have a mix of two piece and four-piece competitive gymnasts who compete out with the club.

Each judge will mark each routine and give it a score out of 10. Scores are given with deductions taken away from 10 to give the gymnast a score. Gymnasts will receive a score at each piece of apparatus. The gymnast with the highest overall score wins.

Each group has been split up according to age and routine level. Gymnasts who finish first second and third will receive a medal.

Please note: To maintain the safety of the gymnasts' flash photography is NOT permitted.

Parents are also asked to stay out of the competition area at all times.

We would like to take this opportunity to thank you all the gymnasts for all their hard work and wish them good luck! We would also like to take this opportunity to thank you for your continued support, we hope you enjoy the competition.
